

Poster Criteria: The poster is to be prepared so that it contains all pertinent information and can be easily understood in the absence of the author. Except for fasteners, all poster materials must be flush with the board, not protruding more than 1/8 inch (3.2 mm). There may be no mechanical or electrical devices on the board. All material must be accessible without having to lift or turn pages. There can be no materials placed in front of, above, below, or to the side of the poster. The poster should be on a firm poster board so it can be displayed on an easel. The poster should be no larger than 40" x 60" and must contain a title and authors/co-authors names.
