

CLARE MAHANNAH MEMORIAL SCHOLARSHIP

\$1,000

A Memorial Scholarship to be awarded to a selected student interested in Water Resources

Clare Mahannah, a pioneer in rural Nevada water resource issues and longtime member of the Nevada Water Resources Association (comprised of water professionals throughout the state and the West), passed away on February 7, 2007, after a long battle with colon cancer. Clare left behind him a legacy in rural Nevada water resources issues. His son, Chris Mahannah, Principal, Mahannah & Associates, LLC, is continuing this legacy with his current work.

Clare was a member of the NWRA for over 20 years and a wonderful person. He is greatly missed. In honor of Clare's memory, the NWRA is honored to assist with the Clare Mahannah Scholarship, which is funded by sponsors who wish to honor Clare's legacy and recognize intelligent individuals pursuing a career in rural Nevada water resources. The scholarship assists the serious student with degree completion.

The scholarship will be awarded to a student attending a Nevada university or community college. Qualified students must be pursuing a degree in the field of water resources. Preference is given to students who have not yet received extensive monetary assistance, yet demonstrate scholastic aptitudes and serious long-term interest in the rural water resources industry. Serious junior or senior level undergraduate students and graduate students may apply or be recommended by college personnel. College freshman, sophomore and high school students may apply if they wish; however, they are competing with upper classmen.

The 2025 application form must be received by November 22, 2024. Applications received after that date will not be considered. Students must submit the application form and a short (no more than one page) Curriculum Vita that emphasizes activities not included in the application form. A one paragraph description of their thesis topic, field of hydrologic interest or career goals in hydrology is required of all candidates. Applications must be received in electronic format.

Upon receipt of scholarship funds, the recipient will read and provide their signature of an understanding that the awarded funds are to be used for educational purposes only. Educational purposes include payment for courses attended and books used for such courses.

Recipients are announced during the NWRA Annual Conference Week, an event that brings water professionals together to discuss critical water issues facing Nevada and the West. The conference will be held January 28–30, 2025, at the Nugget Resort Casino in Sparks, NV. Winners will be contacted by phone prior to the conference.

Contact Chris Mahannah at 775-323-1804 or Tina Triplett at 775-473-5473 if you have questions regarding the scholarship application procedure.

E-mail the application to:

Chris@mah2o.com OR **admin@nvwra.org**

Please include MAHANNAH SCHOLARSHIP APPLICATION in the subject line.

Thank you for your participation and good luck!

NWRA 2025 ANNUAL CONFERENCE - January 28–30, 2025
