

Well Design, Construction & Rehab Workshop

Hosted by the Nevada Water Resources Association

Contact Hours Available / CEU approval for attendees

Course is accepted by the Nevada State Board of Engineers and Land Surveyors for Professional Development Hours (PDH) and may be accepted by other State Boards.

This one-day seminar will provide a technical overview of well construction methods and regulatory issues associated with these methods. It is designed to enhance the knowledge of new well development techniques, advanced technology, and revised regulatory issues associated with these topics. Operators, managers, supervisors and all others interested in well construction development are encouraged to attend.
