

CALL FOR ABSTRACTS

Day of Pit Lakes

January 2025

during the 2025 Annual Conference Week of Events

Nugget Resort Casino

Sparks, Nevada

NWRA is accepting abstracts for oral and poster presentations for the 2025 Day of Pit Lakes being held during the 2025 Annual Conference Week of Events in Sparks, Nevada.

Suggested (but not limited to) Presentation Topics

We also seek presentations on a broad range of water resource topics beyond those specifically relevant to Nevada.

- **What We Have Learned Over the Past 20 Years**
- **Predictions vs. Observations**
- **Post-closure Re-use of Pit Lakes**
- **Pit Lake Predictions in a Changing Climate**
- **Tailings Disposal in Pit Lakes**
- **Predicting the Effects of Climate Change on Pit Lakes**
- **Metal Recovery from Pit Lakes**
- **Policy**
- **Understanding Interactions Between Pit Lakes and Groundwater**
- **Defining Roles of Pit Lakes Within the Hydrology and Geochemistry of Watersheds**
- **Determining the Influence of Pit Lakes on Post-mining Ecosystems**

The deadline for abstract submission is **Friday, August 23, 2024**. Submission instructions and template can be found at www.nvwra.org. For more information, please contact Tina Triplett at 775-473-5473 or admin@nvwra.org.
